RECONCILIATION

True reconciliation is emotional, dramatic, and cleansing. When two people meet heart to heart and work through old hurts, misunderstandings, and careless words, cleansing tears often flow and the encounter ends with an embrace that fills both with the warmth of a love too strong to fade.

The readings this weekend assure us of this healthy release that comes with reconciliation. They give us the courage to reach out to someone with whom we need to reconcile ourselves, and give us the courage to ask for forgiveness from God, too.

In the reading from Exodus, we see how God refuses again and again to give up on the Israelites. Even though they grow impatient with God and turn to false idols, God still calls them back. Luke's Gospel assures us that God rejoices when we turn away from sin. Paul's letter to Timothy encourages us, like Paul, to look back on our lives and recognize where God's patient mercy has been shown to us.

"Active" membership at a Parish enables a person to be eligible to sponsor a child for Baptism, to receive financial aid for Catholic Education, to be married in the Parish and to prepare one's children for the Sacraments. To be an "active" member is to participate in the life of prayer and stewardship in the Parish. All adults over the age of 21, living with their parents or on their own, must register in the Parish to be considered members. The use of the offering envelopes may also help you to qualify for tax incentives. Participating in one or more of the ministries offered by the Parish is proof of the sharing of time and talent for the greater good of our Church Community. So please pick-up a free registration form at the Parish Office, or print one from our website at **www.stbarnabaslb.org**. Stop by the Parish Office and we will be happy to help you! ALTAR SERVERS

Serving at the altar, Pope Francis told the young people, is a privileged way to draw closer to Jesus, which in turn "enables you to open yourselves to others, to journey together, to set demanding goals and to find the strength to achieve them."

"The closer you are to the altar," he told them, "the more you will remember to speak with Jesus in daily prayer; the more you will be nourished by the word and the body of the Lord, the better able you will be to go out to others, bringing them the gift that you have received, giving in turn with enthusiasm the joy you have received."

ALTAR SERVER MEETINGS:

9/11 REMEMBERED

Fifteen years ago, the continuing TV coverage of the imploding twin towers of the World Trade Center in New York was unbearable for me, as were accounts of the crashes and destruction in Washington and the hills of Pennsylvania. The immense devastation of human life was incomprehensible. Visiting the site in New York some five years later reopened searing wounds, and overwhelmed me with immense sadness. An incursion on our soil, carefully planned and executed by foreign elements, had shattered my cherished sense of security, and provoked a frightening sense of God's absence.

How could my Catholic faith tradition enable me to endure this tragedy? I knew that neither vengeance nor sweeping animosity was an option for me.

You have left us crushed . . . covered us with darkness.

We are bowed down to the ground (Psalm 44:20, 26).

O LORD of hosts, restore us;

Let your face shine upon us (Psalm 80:4).

The Psalmist cries a lament, expressing the mourning of the Israelite people, the chosen of God, who had regarded themselves as untouchable and above reproach, now hurled into misery. The lament expresses a nation's agony, dares to complain against their divine protector, may even own some complicity in the misery, and finally pleads with God for deliverance.

In the midst of lamenting, the faith of Israel endured, as must ours. We are as vulnerable as they were to the violence and hatred that seem to encircle us. Our demand for a divine explanation goes unheeded. Yet we have learned of the self-sacrificing heroism of many, witnessing to the finest character of our nation and of our Christian heritage. Dying for one's friends is a sacred theme in our story, epitomized in Jesus, our Savior, and extended through centuries in the grandest and noblest acts of men and women in all circumstances.

In 2001 we came together as one nation under God, sharing the grief, the disillusionment, and the promise to rebuild. As today we lament our honored dead and wounded, shall we translate such agonizing emotion into a persistent pursuit of worldwide reconciliation and peace?

Holy Humor

The pastor was a great guy, but he had a reputation for long and boring homilies. Nothing could get him to change. Finally one Sunday, following a particularly tedious talk, he announced to his parishioners, "You know, I don't mind you people looking at watches while I'm preaching, but it does bother me when you shake them to see if they're still running. It bothers me even more when you check your smartphones to see what day it is."

FINANCIAL NOTES & HIGHLIGHTS:

Sisters and Brothers in Christ - The 2015 - 2016 fiscal year was a breakthrough for the Parish from a financial and community perspective. Our Statement of Activities reflects net income of \$414,639. **This is a true testament to our motto, "TOGETHER, WE'RE BETTER" and most important to your generosity as our Parishioners, Sponsors, and Anonymous Donors.** Careful management of expenses over the past year has put us on a path of energized faith and increased sustainability for our Parish. A clear example of this is represented in our Offertory Collection, which increased 15% which allowed the Parish to cover all of its operating expenses. St. Barnabas also benefited greatly from several large public and private donations which appear in the "Restricted Income" column. Also found in "Restricted Income" is our primary fundraiser, the Legacy Brick Program for the patio at the Parish Hall. This income has begun a series of positive, faithful programs that will maintain and enhance the physical buildings and spiritual well-being of the Parish for the years ahead. On the expense side, it should also be noted that **total expenses decreased almost 8%**, but we have much more work to do.

Our Parish is extremely fortunate to save a net income of \$414,639 in the last fiscal year. However, we must recognize that it included the donation of \$100,000 from a very generous family in our parish. Further, there was approximately \$130,000 in construction projects that were budgeted but was not used. Those projects will be completed this coming year and the allocated funds will be used. Other expenses may also increase in the coming year as the Parish invests in its future after several years of cut-backs. Our balance sheet this fiscal year reflects \$610,000 in operating cash. There are no short term liabilities; however, the unfunded Accumulated Archdiocesan Assessment of **\$618,000** is reflected as a long term liability and an off-set to equity. The Accumulated Assessment reflects multiple years of payments owed to the Archdiocese to pay for Parish insurance, Parish pensions, and Archdiocesan overhead. Additional detail on this Assessment will be discussed further as will a negotiated settlement regarding the total debt amount. We are working on a positive path that will make our Parish sustainable, retire the debt, and continue to strengthen our faith community.

We are confident that the future of St. Barnabas is bright. With your prayerful and generous support, we will continue to make positive strides toward faith development; work towards improving all of our facilities; and mindful of our fiduciary duty to stabilize our finances, and eventually, wipe-out a debt the Parish has been battling for more than 14 years.

We, the Priests, Staff, Finance Council, and Pastoral Council, are deeply grateful for your love and generosity to our Parish. May God Bless you! - Father Antony
