Easter (B) Acts 10:34a, 37-43; Col 3:1-4 or 1 Cor 5:6b-8;
Jn 20:1-9 or Mk 16:1-7

Domenico Cresti's painting, *The Resurrection*, was placed by Fr. Lorenzo Ricci, SJ, in the chapel on the spot outside Rome where Ignatius had a vision confirming his desire to ask the pope to found the Jesuit order. It's significant because Fr. Lorenzo enthroned this painting as a symbol just before the order was suppressed throughout the Portuguese and Spanish Empires. It was one of their darkest hours.

We all have dark moments in our histories. It seems death will swallow us; that God has abandoned us, and there is no solution. The darkness in the painting suggests just that—the world of darkness and despair without the light of Christ. The soldiers sleep, the cold world waits below, and a once-strong trunk is dry and sapped of vigor.

Above, the beautiful Christ figure is surrounded in light, while he hoists the victory standard: the blood-red cross of martyrdom set upon the pure white of resurrection. He, like a new Moses, is leading them into the promised land of eternal life.

These contrasts of darkness and light are the message of the painting and of the resurrection itself. Peter, John, and Mary Magdalene had locked themselves at home, engulfed in darkness, fear, and sadness. The next morning they arrive at the tomb only to find it open and the body of their beloved Savior gone. Victory was being won even as they slept.

Entrust your ways to the Lord and he will act. God is at work winning your salvation! Do not let hope be vanquished! Hold on. Trust in him. Victory is right around the corner! —Fr. Mark Haydu, LC

My Dear Sisters and Brothers in Christ,

Blessings of the Risen Lord be with you! We celebrate the great event of the Resurrection of Our Lord and Savior Jesus Christ. We spent forty days of Lent in prayer, penance, fasting, and almsgiving in the spirit of renewing our spiritual life, and celebrating worthily the Paschal Mystery. We now enter the Easter Season in which the Church rejoices at the victory of Jesus over sin and death. We are called to enter more fully into the 'life of grace' that has been given to us through our Baptism. The epistle of Saint Paul in the Easter Vigil reminds us this truth: "We were indeed buried with Him through Baptism into death, so that, just as Christ was raised from the dead by the glory of the Father, we too might live in newness of life. For if we have grown into union with Him through a death like His, we shall also be united with Him in the resurrection" (Romans 6:4-5).

© J. S. Patheco Co., Inc.

It is with the joyful hope in Christ that the Holy Mother Church celebrates the Easter event, particularly for the next 50 days, affirming the new life Jesus has won for us on the Cross. As your Pastor, may I encourage all of us to allow this joyful hope to be ever more evident in the way we live out our Catholic faith in our parish community as well as in the larger society. May we take courage and not afraid to share and defend our faith in the risen Lord. It is important that the world is able to see the face of Jesus in us at this moment in time as we encounter many challenges to our faith life. It is truly the risen Lord who desires to be present to this broken and bruised world through us. May our faith life give witness that Christ is alive and at work in the world today. By living the Gospel values that the Lord teaches and by allowing His love to permeate all our actions, we can join the first disciples to acclaim, "The Lord is risen! He is truly risen!"

As we rejoice in the new life Jesus has offered for us, we recognize in our parish the signs of new life in those who are newly registered, the babies who were baptized, the RCIA candidates and catechumens who are initiated in to our faith life, our children in the religious education and the parish school who receive their First Holy Communion, and our confirmation candidates who will be confirmed in the month of May. Let us congratulate them and pray for their continued growth in their faith life.

It is my great joy to welcome back those of our brothers and sisters who have been away from our faith family, the Church. Welcome Home! I prayer and hope that you will continue to be with us to worship and receive the Risen Christ in your heart, particularly on every Sunday.

I offer my sincere appreciation to all our regular parishioners for your continued commitment to profess your faith in the risen Lord at every Mass we celebrate in our church. I thank you for your active participation in various ministries of the parish, supporting our parish with its financial needs, and empowering us to make our parish such a warm, caring, and friendly community of faith.

Together with our Pastoral and Finance Councils, and the parish, school, and religious education staff, I wish you a Happy Easter!

With the Easter Blessings,

Fr. Antony Gaspar
Pastor

TREASURE OF OUR TRADITIONS

The Paschal Mystery is the key to our Christian faith: the dying and rising of Jesus that is the pattern of our life. In their first steps on the road of faith, the catechumens feel the cross of glory traced over their eyes, on their lips, across their shoulders, on their ears, over their heart, and on their feet. The mystery is that even death gives way to life for those who are held in the embrace of Jesus. Today, many new Christians arise from the waters of the font. Yet the font is not the destination of their journey. The goal is Pentecost, fifty days from now, and a lifetime of praise to the Father, in Christ, in the embrace of the Holy Spirit, for the sake of the world. "Neophyte," our ancient word for newly-baptized people, means "newly-planted" in Greek. If someone in your parish has just been baptized, welcome them today. The smiles on their faces and the light in the eyes is a foretaste of heaven.

Dear Padre

April 1, 2018

I've just returned from a visit to the Holy Land. When we visited the tomb of Jesus, we saw a simple marble slab in a small chapel. Is our faith based on an empty tomb?

I am happy to answer your question on this highest truth of our faith—the resurrection of Jesus. Our faith in the resurrection is not based on an empty tomb or a little marble slab. There are many explanations for an empty tomb, most which would not contribute to the belief in Jesus' resurrection.

Our faith in the resurrection rests not only on the physical reality of the empty tomb but, more importantly, on the eyewitness accounts of those who saw Jesus, talked to him, and walked with him after his resurrection.

There are many reports in the Gospels and the Acts of the Apostles that chronicle the appearance of Jesus after the resurrection. Details vary, but one constant is found in all the accounts: Those who saw the risen Lord had such a powerful experience that they couldn't keep it to themselves. They had to run and tell somebody.

Think of this as a Christian "big bang theory." Jesus' followers had such a tremendous initial experience of the risen Lord that they could not hold it in. They told their friends, neighbors—anyone who would listen. Excitement spread to neighboring villages and hamlets, then to surrounding countries and cultures. Eventually, Christianity expanded, sometimes under great persecution, throughout the world. Could such endurance and dynamism result from only an empty tomb? No. Only an experience of the risen Jesus could bring this about.

SCHOOL STUDENT NON-DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color or national and/or ethnic origin to all rights, privileges, programs and activities generally accorded or made available at the school.

The school does not discriminate on the basis of race, color, disability, sex or national and/or ethnic origin in the administration of educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic and physical abilities and the resources available to the school in meeting the student's needs.
